Academic Support for Grant Proposals

外部資金獲得支援

KAKENHI Reforms and Preparation in Advance!

KAKENHI is the biggest funding programme in Japan. Early preparation is key to your KAKENHI success!

Major changes will be announced this September in JSPS/KAKENHI, in terms of forms, research categories, review system and so on. The seminar will help you understand the draft changes (prior to the official announcement in September) for KAKENHI FY2018 and prepare for your KAKENHI application.

Join us if you feel...

- How do the new changes affect my application this year?
- What kind of documents, and skills, are needed for application?
- How does the review process work?
- What will happen after awarding of a grant?

After a quick introduction on KAKENHI, you will also be briefed about various support services of KURA.

Date 15:45-17:00, Friday 28 July 2017

Venue Meeting Room B1, Research Administration Building (No.61)
Main Campus, Kyoto University (<https://www.kura.kyoto-u.ac.jp/en/access/>)

Eligibility All faculty members/staff of Kyoto University are welcome!
(Please register at our website <http://www.kura.kyoto-u.ac.jp/grant-writing-support/231>)
