## Meet Your KU Community!

“Just Energy Transitions in India”

Speakers : Saritha Sudharma Vishwanathan (Assistant Professor, Graduate School of Engineering)  
Anjali Sharma (Assistant Professor, Centre of Policy Studies at the Indian Institute of Technology (IIT) Bombay)

Welcome to “Meet Your KU Community!”

—our online networking event aimed to connect researchers at Kyoto University!

At our eighth meeting, Dr. Saritha Sudharma Vishwanathan will provide key insights on how globally India is leading the way to set an example of development-led energy transformations. Dr. Anjali Sharma, a fellow collaborator from IIT-B India, will present her perspective on the “just aspects” of the energy transitions.

Date Thursday, June 20, 2024, 12:10–12:55 pm

Venue Online [Zoom Meeting]

Language English

Eligibility Anyone in Kyoto University (and invited guests) is welcome
